

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.umr.com or by calling 1-800-826-9781. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.umr.com or call 1-800-826-9781 to request a copy.

| Important Questions   | Answers  | Why this Matters:   |
|---|--|---|
| What is the overall<br><u>deductible</u> ?                                | <b>\$2,500</b> person / <b>\$5,000</b> family In-network<br><b>\$5,000</b> person / <b>\$10,000</b> family Out-of-network  | Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount<br>before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each<br>family member must meet their own individual <u>deductible</u> until the total amount of<br><u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services<br>covered before you meet<br>your <u>deductible</u> ? | Yes. <u>Preventive care</u> services are covered before you meet your <u>deductible</u> .                                  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u><br>amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers<br>certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your<br><u>deductible</u> . See a list of covered <u>preventive services</u> at<br><u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u>   |
| Are there other<br>deductibles for specific<br>services?                  | Yes. <b>\$100</b> person / <b>\$300</b> family benefit deductible per calendar year for prescription drug expenses         | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.  |
| What is the <u>out–of–</u><br><u>pocket limit</u> for this <u>plan</u> ?  | <b>\$4,450</b> person / <b>\$8,900</b> family In-network<br><b>\$10,000</b> person / <b>\$20,000</b> family Out-of-network | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services.<br>If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?                  | Penalties, <u>premiums</u> , <u>balance billing</u> charges,<br>and health care this <u>plan</u> doesn't cover.            | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .   |
| Will you pay less if you<br>use a <u>network provider</u> ?               | Yes. See <u>www.umr.com</u> or call 1-800-826-9781<br>for a list of <u>network providers</u> .                             | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?                | No.  | You can see the specialist you choose without a referral.   |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
